

See Further. Think Clearer.  
**Work Better.**

“Our Company has our Superintendents attend the NECA Show in order to remain current on various products on the market—especially those in the New Products room. We often discover labor-saving products that more than make up for the cost of the trip.”

*Joe Horan, Vice-President  
 Singleton Electric Co., Inc.  
 Gaithersburg, Maryland*

**NECA**<sup>20</sup><sub>08</sub>

OCT.4-OCT.7

McCormick Place Lakeside Center

NECA 2008 Chicago, the greatest electrical industry showcase of the year, is your best opportunity to see the latest tools and equipment, learn the newest techniques and trends, and meet the people who can help your business succeed all year long.

- More than 250 exhibitors
- Thousands of top decision makers from large and small companies
- Attendees from across the country and around the world
- Comprehensive educational program featuring two Technical Workshop rooms offering presentations on Integrated Building Systems, Electrical, Lighting and “Green Building” topics
- Open to all in the electrical industry

**Show Hours:**

Sunday, October 5 11:30 am–5:00 pm  
 Monday, October 6 11:30 am–4:00 pm  
 Tuesday, October 7 10:00 am–2:00 pm

**For more information on the NECA Show:**
